RAMSEY OAK

Ramsey Oak exudes a modern, minimalist elegance with its softly glazed surface and flowing, organic texture. The delicate brushed pore pattern enhances its authenticity, evoking the beauty of naturally aged wood. Its harmonious blend of soft, muted tones and subtle wood grain creates a refined, contemporary aesthetic. The planked layout introduces a dynamic touch, reminiscent of timeless Belgian design.

im TRIALETI NOCE

Elegance and finesse define Trialeti Noce. The overall impression is subtly glazed, enhancing its lightness. A well-balanced play of colors, complemented by harmonious contrasts, beautifully accentuates the curves of each plank. The stripes adjacent to the cut cathedrals add a touch of movement, imbuing the entire decor with a sense of flow and airiness.

im SEGNI

The beauty of nature lies in its ability to imitate and harmonize effortlessly. Segni is designed with this very philosophy in mind. Subtle micro-textures—found everywhere from sandy beaches to the intricate details of a leaf under a microscope—surround us, offering endless inspiration. Segni seamlessly transforms from stone to leather with just a shift in color and perception. Its optical-solids celebrate rich, solid hues while embracing the organic imperfections that make nature so authentic and captivating.
